

1st International IPIG Conference – 18th May 2023

Time	Session	Lead
08:00	Arrival: drinks & refreshments	
08:20 – 08:30	Welcome Address	Antonio M. Risitano President & Chair of the
08:30 – 10:30	Lectures: Understanding PNH from its history	Antonio M. Risitano & Petra Muus
08:30 – 09:00	Current understanding of the pathophysiology of PNH (30')	Lucio Luzzatto
09:00 – 09:30	Molecular and biological aspects of the GPI-defect in PNH (30')	Taroh Kinoshita
09:30 – 10:00	Somatic mutation in non-malignant disease (30')	Neal Young
10:00 – 10:30	TBD	TBD
10:30 – 11:00	Morning Break: drinks and refreshments	
11:00 – 13:00	Round Table: Complement for Hematologists	Morag Griffin & Jun-ichi Nishimura
11:00 – 11:15	Complement biology in PNH	TBD
11:15 – 11:30	Development of anti-complement agents	Dimitris Mastellos
11:30 – 11:45	Open discussion: what hematologists want to know about complement	Austin Kulasekararaj (discussant)
11:45 – 12:15	Two selected abstracts	Morag Griffin & Jun-ichi Nishimura
12:15 – 13:15	Lunch	
13:15 – 15:15	Round Table: PNH treatment: complement inhibitors and beyond	Jaroslav Maciejewski & Hubert Schrezenmeier
13:15 – 13:45	Anti-C5 as disease modifying treatment	Regis Peffault de Latour
13:45 – 14:15	Upgrading complement inhibition in PNH: the road to proximal inhibitors	Antonio M. Risitano
14:15 – 14:30		Morag Griffin
14:30 – 14:45	Spotlight 1: other treatment options for PNH: HSCT and IST	Richard Kelly
Pending	Spotlight 2: management of thrombosis in PNH	All Chairs & Speakers
15:15 – 15:45	Two selected abstracts	Jaroslav Maciejewski & Hubert Schrezenmeier
15:45 – 16:15	Afternoon Break: drinks and refreshments	
16:15 – 18:00	Recent clinical data on complement inhibition in PNH (15 min each)	Russell Ware & Britta Höchsmann
18:00 – 19:00	Poster Session	
19:30	Conference Dinner	

1st International IPIG Conference – 19th May 2023

Time	Session	Lead
08:00	Arrival: drinks and refreshments	
08:30	Welcome Back	Antonio M. Risitano President & Chair of the
08:30 – 10:00	Hot topics in PNH 2023	Petra Muus, Richard Kelly and Jens Panse
08:30 – 09:00	Defining response & endpoints	Jeff Szer
09:00 – 09:30	Breakthrough hemolysis: terminal vs proximal inhibitors	Discussant: Petra Muus Austin Kulasekararaj
09:30 – 10:00	Proximal inhibitors: monotherapy vs combination treatment	Discussant: Richard Kelly Rosario Notaro
		Discussant: Jens Panse
10:00 – 10:30	Two selected abstracts	Petra Muus, Richard Kelly and Jens Panse
10:30 – 11:00	Morning Break: drinks and refreshments	
11:00 – 13:00	Worldwide IPIG mission	Jeff Szer & Chuck Parker
11:00 – 11:15	Registry	Jeff Szer
11:15 – 11:30	PNH in China	Bing Han
11:30 – 11:45	PNH in South-East Asia	TBD
11:45 – 12:00	PNH in South America	Rodrigo Calado
12:00 – 12:15	PNH in Africa	Lucio Luzzatto
12:15 – 12:30	PNH in Eastern Europe	Jaroslav Cermak
12:30 – 12:45	Guidelines Project	Regis Peffault de Latour
12:45 – 13:00	Summary	Antonio M. Risitano
13:00 – 14:00	Lunch	
14:00	Departures
